“ Mom, you will be missed dearly. I will miss being able to call and talk to you. You were the one that held this family together while you were in pain and hurting and struggling yourself. But now mom there is no more pain and suffering. You were always taking care of everyone else , but no more, now it's time for the heavenly father above to take care of you. You are with family in heaven, your son ,your mom and dad and many more giving them hugs and kisses that we will all miss. You will always be remembered in our hearts and mind. Now go rest mom you deserve it , the family and I will be O.K. It will take time for the pain of loosing youand like some of us have already said " It's not goodbye, it' see you later untill we meet again." and we will meet again. I LOVE YOU MOM and WILL MISS YOU
