“ *A life well lived! All who knew Frances loved her; she was loving, kind, patient, and wise. . She loved God, her family, and all creatures great and small; especially her cats. She had no children of her own, but had generations of children who loved and adored her. Whenever I see a flower I will remember the love she had for growing things; flowers, vegetables, and any plant that flowered or not. Frances was one in a million and I can't remember a time that she was not in my life. I will always cherish the time that I spent with her and will never forget her. There is no doubt that she is in Heaven with our Lord and Savior and that she will be watching over all of us. Gods Speed Fran, Love you always! Milinda Van Outlaw Hatfield*
