“ Loved meeting with you. Grandma and grandpa Preslar are glad to see you and so are your aunt Marth and uncle Rufus. God bless you and thank you for your service. Love from Steve and Mechell turner, your cousins.

Will miss talking with and seeing Gary's comments on Facebook. As young kids, we spent a lot of good times together. May our Lord comfort and bless your family. A grand reunion is coming soon where all the Saints of God will be gathered. Till then I will say, see you later.
