“ I didn't know him very long but I always enjoyed his company when I was at their house. I worked for his daughter Lisa for a little while and most of the time he was at Life Care but when he finally got to come home I enjoyed being around him and his wife. I remember hanging up Christmas lights outside of the house and I would have to climb the ladder to get up to the places I couldn't reach and everytime he would say "Now Crystal, You don't need to do that you are going to get yourself hurt here let me do that" We all knew he couldn't possibly do the physical labor involved things I guess he was accustomed to doing so we would keep an eye out for his because he would keep trying to do stuff that he definitely could have gotten hurt doing. He was still wanting to be the man of the house and from the stories I have heard about him, he definitely was!!! RIP Gil Go Rest High On That Mountain and enjoy your Peace you are so deserving of it!!!!

“ Pop was always such a great person, He had a big heart, and he always treated Rick and I so good. We loved listening to his stories, he had many of them! He was a proud man, you could tell that just by being in his presence. We all loved him very much. He will be missed, and I am sorry that we didn't get much time with him, but our trip to Tennessee a few years back was a blast and we all made great memories. Our memories are everything. They are the things that we keep in our hearts, and are the only things that can go with us when we pass, so I know that Pop's heart is full because he has so many great memories that he took with him.. Rest in Peace Pop. We will meet up again one day, until then stay close, and let us know your around. Love always Dennia And Rick.

I knew him as Pop pop because that's what he was to Corey and Patience. I knew that everytime I would come over, he always made me feel welcome. He always told the funniest jokes. He had a beautiful way of just accepting you for who you are. He was kind to me and he was a strength in his family. I'm lifting this family up in prayer because I know that his passing will have a huge impact on this family. I love yall. I'm so sorry. God is with you.
