“ Here I am out of the USAF since 1990 and haven't seen Duke Leedy since we did bootcamp together in October of 1986. On this day, for some reason my memory of him entered my mind. I was thinking of how truly hilarious this guy was and would be great to reconnect after all of these years. Now, after seeing this I am truly saddened that this guy left us all way too soon. My sincere condolences to his daughter, siblings and entire family. Duke..I know you've got God in stitches up there. RIP Brother Duke.

“ Harold and I studied karate together in the 1990's. I never did learn to call him "Duke". Over the years, he and I would routinely visit Air Force and Navy bases to see air shows and museums. (We once spent three full days exploring the National Museum of the Air Force in Dayton, Ohio.) Harold could talk to anyone and he never failed to make me laugh. Our last excursion was to the aircraft "boneyard" near Tucson, AZ just before COVID hit the United States. You are missed, buddy!

*I knew Duke when he and I were in the Air Force (1986-90). One heck of a good guy and one of the funniest guys I've ever met. Sorry I'm only learning of this a few moments ago.*

“ *Though I was in the same high school graduating class as Duke, I knew him best as my teammate in Babe Ruth baseball for years. He was a very nice guy, and a really good baseball player. He was very competitive and passionate about sports, which always encouraged those around him to be their best. When I think of my h.s. friends, he is always among those that I remember best, and wish I had maintained contact with him over the years. I am very saddened to hear of his passing. My deepest condolences to his family.*

“ Grew up with little Duke as my next door neighbor. I went to a drag race with him and his dad. I was about 12 years old then. We had a lot of fun together playing on the empty lot next to our homes in Browns Mills. His dad would whistle when it was time to go in at night. Good memories.
