“ *Heidi, a wonderfully-sweet 15-year-old girl welcomed a fellow brat in class with open arms and offered her friendship. We both had children Young and lost touch over the years. But I thought of her often with a smile on my face and love in my heart. I am filled with regret that I did not tell her each day how much she meant to me. She will be missed. To her family, I am so very sorry for your loss.*
