“ I don't know where to start, we have so many memories from laughing so hard we cried to the dumbest arguments it didn't matter if it was over the last bite of food or what radio station we were going to listen to. Sometimes he would pick at me just to get our day started off right. I'm sure going to miss those days, especially the phone calls and daily txt. I remember one time he told me plainly not to go to Tullahoma.... 🚗♀️ And I did! And got stranded over there but I didn't want him to know because I'd never hear the end of it.. but I knew if I called him he would come get me. Let's just say he came and got me but I won't mention the ride back 😞😭 I love you Hunter you will be greatly missed. You made a major impact on me and my life💔
