“ *DArby was a good man. He gave me 3 of his beautiful chihuahua's. Ruby was first, she died 11/21/13. I loved her so much, but Darby is back with her! I still have Rose and Leigh-Lee. They all have my heart. Darby I tried calling you to let you know about Ruby. Enjoy all the little chihuahua's in heaven. You have the heart for them all!*

“ *Darby was an RN Supervisor, was very talented and known for his beautiful quilt work and love for his pets. He suffered much in this life but now committed into the Hands of God where there is Peace and Rest. Rest on Brother! In Christ, Charlotte*
