“ *So sorry for your loss. We worked together for years at the academy and Steve was a great guy. Although there is never a good time to lament the loss of family, the loss of Steve came before it was supposed to happen. Dealing with the loss of a loved one is one of the most trying situations. It is difficult to find words of comfort that are adequate. There are so many things that we all will miss about Steve. We will miss the friend, and the person that we could all talk to about anything. Thoughts and prayers. Cheryle Hunt*
