

Mr. James "Bo" Sutton

January 23, 1955 - March 25, 2020

James "Bo" Sutton, age 65, of Tullahoma, TN., passed away March 25, 2020. No further arrangements are scheduled at this time, by his request of cremation disposition.

Born January 23, 1955, to the late Jack Sutton and Barbara Barfield, "Bo", as many will remember him by, cared for others more than he cared for himself. Everyone in the Tullahoma area knew him as the "plant man" from his many years in the landscaping business as Suttons Greenhouses and his years owning a nursery in Manchester named Botanical Concepts. He devoted his time to learning everything he could about his plants and getting to know everyone he met. If he wasn't working on his plants you could find him giving blankets and company to the elderly or those in need. He never met a stranger and everyone knew who he was from his beautiful hanging baskets and pristine landscaping."

In addition to his parents, he is preceded in death, by two brothers; Jack Sutton, Jr. and John Sutton.

He is survived by one son; Caleb (Alexandra) Sutton and one daughter; Kelsey Sutton, both of Seattle, WA.; three brothers; Joel (Amanda) Sutton, Jeff Sutton and John Hight and one sister, Jan Richardson.
