“ *"Miss Jane" was one of my favorite teachers. It was a privilege to be in her math class, as well as work with her on the East Jr. High Panther yearbook staff in the 1970s. The last time I saw her was at my brother Kip's visitation in 2005. He had been a student of hers in the 1980s. It was a comfort to know she remembered her students as fondly as I remembered her.*

“ Ms. Higginbotham was one of my favorite teachers at East Middle School. I remember that Ms. Welch and she seemed to have a contest on whose dog was the best. She made the classroom setting enjoyable and had a genuine interest in teaching kids. Tullahoma has lost a good one, but she is in a much better place.

“ Ms. Higginbotham was my eighth grade science teacher in 1960-61 in Scottsboro, AL. I shall not forget her efforts to bring into our classroom her own personal television so that we could be a part of America's race to space. Thank you, Ms. Jane.

“ So very sorry to learn of Jane's passing. She and I taught together at East Middle School and she always accused me of killing the ferns she would hang next to my room with my math teaching. She had a keen sense of humor and a memorable laugh. My sincere sympathy, Michael Robison

I had Ms. Higginbotham for math at East Junior High and I really enjoyed the class. What I learned from her helped me throughout my engineering career. She was a great teacher.
