“ Jeff was always a great uncle to me and always took time to play when I was a rambunctious kid. He loved tossing the football around and had a great sense of humor. I'll never forget the time he babysat me (I must have been just 7 or 8) and took me to the candy store and then bought me a Pepsi. I thought it was the best thing in the world, as I wasn't allowed to drink soda, and thought he was the coolest dad. He made sure we went to the park afterward though and I burned all that sugar and caffeine off on the football field. 🤔
😔 He will be greatly missed. Rest in peace Uncle Jeff. 🕯️
