I come to know and Love Jerry and Family when I met Jerry at work back in the late '80's or early '90's at Lowley Aviation. Life changes sometimes causes Friends to drift apart, but with Jerry, once you became his Friend, you were Friends For Life. I ran into him and Karen at a concert some 20 years later and it was like we hadn't missed a day together. I share in your sorrow. May God give us all the Strength and Curadge that we'll need to get through this difficult time.
