“ *With a heavy heart I extent my condolence to Gloria, and their children and also to his brother Howard and his wife. Jerry was always happy with his smile and laughter. While visiting my Grandmother Amada Jett in Gasconade, Jerry was my buddy. He would often come home with me to Chester, Il for a couple weeks each summer. My senior year in high school 1953 Jerry left his new 1953 Bel Air Chevy car with me to drive to school for two weeks. How many cousin's would do that. I remember Jerry and Howard Mother Ruth and their dad Doc who was a quit man, a wonderful family who I love to this day. I always loved going to Gasconade we had so many of our family living there back then. I still live in Chester, Il where I grew up but my memories of my time in Gasconade, Mo hanging out with my cousin Jerry and his friends were a high light in my life. May God Bless Jerry Marvel and his entire family. I know God does. Jackie Lindsey, Chester, Il 62233*

ME

“ Jerry Marvel was a very special cousin of mine, he and his wife were the ones who introduced me to my husband of 54 years. I will miss our phone calls, catching up on our home town Gasconade mo.
