“ *Oh Chui, this is such a tragedy. When I call your image to mind, I hear your deep, warm laughter, full of life and joy. When I recall your eyes, I remember how they twinkled with intelligence and seeking. I will always remember you as an impassioned person, so forward looking, so full of zest.*

The world is a less full place without you. You will be missed and remembered. I will hang a picture on my wall and everytime I look at it, it will be like a prayer for you.

My heart goes out to your Mother and family.

Vaya con Dios, mi amigo... my friend. (I hope I said that right. You'll remember my spanish is not very good!)
