“ Jimmy and I worked together for over 25 years at the Great Ford Motor Company in Ypsilanti.

*He had a good work ethic and was enjoyable to work with. We were very fortunate to have a wonderful crew on Midnights . Had a lot of laughs and fond memories of all the guys we worked with. Richard Kozack, Tom Price, Larry Underdahl and many others.*

*We retired the same day April 1, 2006. Was able to visit with you and Carol last October. It was nice to reminisce and talk about funny things that happened at the plant.*

*Happy now that your at rest. No more pain or discomfort. Thank you for the memories.*

*Your friend*
