“ Jim always kept stuff stirred up, in a good way, and loved to entertain. He made a great big footprint with his love and laughter wherever he was. He lived life out loud. He was one of my best friend's dad and I'm glad I had the privilege to know him. He will definitely live on in my memories. My prayers for his family and many friends.

“ To Kim and family . I am truly sorry for your loss of your father. Jim was a good friend to me and someone , not only I but everyone looked up to . He was a great American , family man and citizen of Tullahoma and Lynchburg . He cared for everyone and I mean everyone . He also was a man of great accomplishments and keep me in a state of amazement of how driven and focused he was on anything that challenged him. I will never forget our laughs and conversations we had. Kim , I am happy for you to have such a great and loving father in your life. I will keep you and your family in prayer.

“ Riding Smoke'um out at the farm after his dose of "Mennonite Magic." Watching Count strut his stuff in the sand corral after a lavish bath. Striking, blazing white with slashes of black. We can never go back. Your kids lined up for the Tullahoma Christmas Parade. Jack Frost nipping at our nose. That house in town while South Fork was being built. You just got out of the Navy. United Pontiac and Prodigal Sonny. A hot orange Corvette and a pair of shades, honey. Vaulting off the diving board into diamonds of azure. You showing up on Christmas Eve with a box of goodies and a heart of gold. I will never forget you, Jimmy. Thanks for the good times. And for being family.
