“ *Hello, This is Jay Hall in Nebraska. Our Grandmothers were sisters...Mulford's. I remember going to family reunions in Arapahoe and getting to go swimming with the Fallert sisters at the city pool. What fun for a little kid. You have my sincerest sympathy for Joan's passing. Heaven is a little brighter now!!!*

“ To Janice, Joyce, and Judy, Ed and I are sending you three special words on how much Joan meant to us in the early years of our time in Tullahoma and especially in Jeb’s early life as a baby. Your family was like a second family and all treated us like we were part of the Fallert family. Being in Nashville has so removed us from Tullahoma and not seeing Judy and Janice in particular really did isolate us from your family. Joan was a dear dear friend and helped me out so much. I’ll never forget her and I know she will leave a big hole in your lives. Our love to all of you and may you all be well and your lives continue to be a close knit family as it has always been.
