“ *Im sorry to Joel's family and most of all his daughter! He loved her so much!  
Joel I'm going to miss talking to you and chatting with you when we both could not sleep. Joel has one the sweetest souls I know. He always checked in with me to make sure I was ok and I did the same with him! I loved Joel and I loved that he could make me laugh about anything to get my mind off any troubles I had. Joel and did go to school together, but in the past 4 yrs we became very close friends and I will never forget that. He holds in a special place in my heart forever!  
Joel I'm giving you this Buddha because you always teased me because I'm Buddhist !  
Love you Joel, we will meet again soon in a different lifetime.*

“ My deepest sympathy to the family of Joel Rogers. My daughter Ashley Bobo attended Teddy Bear Nursery from the time she was 6 weeks old until she started kindergarten. The entire Rogers family is very precious to me. We would often see Joel in the mornings or afternoons. I always enjoyed talking to him. Joel had a deep love for his family and a very kind heart. It was very obvious that Maggie was his everything. Maggie and Ashley played together for a couple of years until Maggie started kindergarten. I am deeply saddened to hear of this news. May God be with the entire family and bring peace to their hearts. The entire Rogers family is my prayers. Love, Laura Bobo

“ Joel was such a great "hands-on" dad for his sweet Maggie. I do not recall that he ever missed a school event, and he often joined her for lunch. What a testament to his love for Maggie and an example to all of us! Joel was such a kind and friendly man!
