“ John it saddens me that your life was cut so short by this unforeseen tragic event. I still don't believe you are gone, when we spoke literally just hours before your passing everything was fine. I know now to cherish every moment we have together with friends and family while in this world because we never do know when one's life will be cut short. I know you are still living your life after death, but in a different form, one that is filled with peace and happiness. I'm sure you and my Uncle David are up there smiling or probably laughing down at us, try not to give the angels too hard of a time! Thanks for being there when I needed you and being such a dam good friend. Until the day we meet again you'll be in my thoughts and prayers, I love you bro. Mary and Sharon if there is anything I can do for you no matter what, don't hesitate just pick up the phone and call me 931-675-2809. You and your family are in my prayers. - Ronnie

We have known John for many years from the flea market business. We spoke to him just 2 weeks before his death. I am very sorry for Chad his son which goes to school with my son. There are no words that can explain how we feel right now. Sorry for your loss.
