“Joan, I am so sorry for your loss. My heart goes out to you and the whole family. John was such a good person. I never talked to him that I didn't feel happier afterwards. He so obviously cared for others and was so friendly and upbeat. And it was also obvious that he adored his family. We will all miss him.

“Joan, sorry for your loss. John was great at keeping things moving when we were doing the food baskets and sometimes we weren't sure we were doing the right thing about a problem we had.

We're making a contribution to the Food Basket Fund in his memory. My wife's health problems will keep us from attending his funeral.
