“ We will certainly never forget you cousin...many memories of playing gospel music together and traveling church to church. watching you play piano inspired me to learn to play in the same "honky tonk piano" style you always played which later developed into songwriting. Thank you for serving God to the best of your ability & being an inspiration to those coming up behind you...enjoy your heavenly reward.

“ Johnny was my buddy. I am good friends with his wife Sherri and friends of the family. Johnny was a good man and had a heart of gold. He would do anything for anybody. I loved him to death. He could sing and play the guitar and he could preach the word of God. He is going to be missed dearly. Lightner family my heart goes out to you and peace be with you. Love and Prayers. Virginia
