“ *Rest her soul, bless her family, a sweeter soul never arose from dust.  
To my best pen pal of all time—farewell! Never again will I find a card from you in my mail box. So full of courage and sunlight yours always were.  
A court of angels must have heard your prayers, for your well-wishes on my behalf have been granted. Golden wings brushed my cheek today when the doctor gave me good news. You are forever in our hearts.
