“ *Judy was an awesome and amazing person. She loved get together with family and friends. Love cooking big meals as she did for us every time we visit her and Paul. Visit her at the flower shop she had and was busy as a bee making flower arrangement and very proud of her finished products. And yes they were beautiful. She continued making flowers arrangement as a hobby, giving many away. The Lord has a beautiful angel and we have beautiful memories. You will be missed dearly loving you always. Meg and Ray*
