“ *Patricia,  
This is Brittany, Jessie's sister. You have been in my thoughts. I hope it gets a little easier everyday.*

“ *Hello Dear Family, especially Joel: I went to school with Justin, but more than that I lived across the street from him for years. We were in some of the same classes at school and walked home a lot together. He was always helping me and my little sister out with carrying a ladder over to our house, while we climb upstairs to our bedroom window. Having left our house key on the kitchen table or just forgetting it. Anyway had lots of fun and memories. Sorry for such a loss at a young age. I know you will miss him. But it was his time to walk with the Lord. Prayers for all his family and friends.*
