“ *Paula and family, I so regret that I was out of town Tuesday and did not get to visit with you. Your beautiful Justine has moved home with her Mom and Dad. She is the person who changed my perspective of down syndrome. My best to you all.*

“ *Justine and my sister, Patty, have been friends since their teen years. I remember Justine coming to Patty's sleepovers when they were teenagers and it was during that time that she had a “crunch” (crush) on my younger brother, Keith. Those sleepovers were filled with so much giggling! I remember how excited and grown up Justine and Patty felt when they moved into their own “apartments” in a house shared with 6 other girls and 2 houseparents. Over 30 years their devoted friendship was characterized by fierce protectiveness of the other, a love of Richard Simmons, the Brady Bunch, Elvis Presley, bowling, Special Olympics, and of course, lots of laughter. I loved the way Justine's face lit up when she saw me- it always made me feel so special! I will always remember her good hugs, her easy laugh, and her sparkly, sometimes mischievous eyes. My life and the life of my family was blessed by Justine. We love her and will miss her! We are holding Paula, Elizabeth, the rest of her family and all who knew and loved Justine, in our prayers.*

“ *Justine has been my sister’s best friend for more than 30 years! She was a bubbly, loving person who made Patty laugh whenever they were together. They shared so many good times-parties, movies, bowling, Special Olympic events, and even a prom! Justine was kind enough to remember us whenever we saw her. She enriched our lives as well. I am so thankful that Patty had Justine in her life. My heart goes out to Paula, Elizabeth, and all who knew her. We miss her more than words can say! Mary Lynn*
