Frankie Womble and I just met up for our 50th THS reunion a few weeks back and I asked about all of our old buddies from Smotherman-Womack Wholesale Grocers.

Being my first job out of high school, Kenneth took me under his wing and taught me everything I needed to know to do the job. He had a great attitude and heart and I will remember him for that.

And our whole crew did go fishing almost every Friday morning after our night shift was over. It was : 1:
