“ *I met Kevin and Deborah when they were finding a home for their beloved dog, Ladybug (aka Buglet). It took a while before I could take Buglet (and how Kevin advocated for that dog because he loved her so) but it was an instant friendship between us. I used to say we had an open adoption of Buglet because we all stayed in touch with texts and emails and pictures. Never nicer people could you meet. Kevin and Deborah came for a visit to Nashville to see Buglet in November 2018. I will be ever grateful that Kevin pursued making that happen. I brought Buglet outside on a leash and she didn't realize they were there to see her! His first words to Buglet, "How you been, Squirt?" just sent her into the most joy you have ever seen. I got to know a bit more about Kevin when he was in the hospital and found out he hailed from Morgantown WV which was not far from where I was originally from, Monongahela PA. It still seems surreal that this happened with Kevin. Young in spirit, kind in heart, an interesting man. I just wish there had been more time. Prayers are continuing for Kevin and for his family. Deborah, you and your family are in my thoughts as you go through this difficult time.*

“ Deb you and Kevin were like a lighthouse to me when I was sent to the USS Enterprise in Alameda. Being alone and with no hope of being reunited with my family you and Kevin stood by me and made me feel like family. I cannot express my feelings at your loss and my not being able to get there to see Kevin before his passing. May GOD bless you all and keep you in the palm of his hand during this terrible time of sorrow. LOVE Vic
