“ *David,*

*So sorry to hear of your mother's passing. What a special lady and a favorite aunt. Dan has many outstanding childhood and teenage memories spent with your family in Quincy, and even before then in Nebraska.*

*Unfortunately we will be unable to attend her services. Dan has been hospitalized since Saturday when he had emergency bowel blockage surgery. He is recovering well but his doctor will not release him for travel.*

*We treasure our visits with Aunt Nonnie in Tennessee. She showed us what true "southern hospitality" really means as she was always more concerned about others than herself.*

*During one visit I remember her saying that in her second life she wants to come back as a race car driver!! So ride on, Aunt Nonnie, ride on!!!*

*We send our thoughts and prayers*

*Dan and Jan Bosse*
