“ *Been missing her for 25 years. She literally dropped off the face of the earth after high school, but she made her mark on me. I've looked for her for a few years and am brokenhearted to finally find her in an obit. RIP Leslie.*

“ I've been out of touch with Leslie for many years, but the impact she made on my life is unforgettable. I cannot imagine the pain you as a family are going through. I wish I were able to pay my respects in person. Leslie will always shine in my memories.
