“ *I am sorry to hear of Lil's passing (as I was addressing Christmas cards). She is a cousin, whom I met at a Harrison Family Reunion. I loved her immediately and we communicated every year at Christmas thereafter.*

I am sure she will be missed by all who knew her. God bless you!

“ *My condolences to Lil's family. Bill and Lil were friends of my family when they lived in Bedford, Pennsylvania in the 1960's. I was only 4 or 5 years old at the time, but I have many fond and vivid memories of time spent with the Kellers. I recall Lil was a great storyteller and had a keen sense of humor. She possessed a beautiful, lively spirit and was especially proud of her son and grandchildren. I'm sure she made a lasting impression on everyone she met. Her 97 years on this earth represent a remarkable and blessed lifetime, and I look forward to seeing her in heaven!*

“Where would I begin? “Aunt” Lil was a part of our family (Trail family). She was so sweet and so entertaining, if she was at a family gathering it was sure to be full of laughter! I loved her stories!!! She loved to teach us all her crafts, she was certainly a talented lady. She will be missed, and remembered forever. Our thoughts and prayers are with you and your family.
