

Linda Lee Carr

November 5, 1952 - September 16, 2024

Linda Lee Carr of Tullahoma, Tennessee, passed suddenly from this life on Monday, September 16, 2024, at Southern Tennessee Regional Healthcare in Winchester, Tennessee at the age of 71 years. The family has chosen cremation. They will be hosting a home vigil on Saturday, September 28, 2024, from 2:00 to 6:00 PM to honor and remember her life.

Her husband remembers, A little over 40 years ago I lived next door to the girl that I would spend the rest of my life with. We have had the most amazing life together. She gifted me with 6 amazing children, 11 grandchildren and 1 great grandchild. We did everything together and work dragged me and my family from one side of this country to the other. Always together, we let each other know that our love and bond would last forever. As we have gotten older, our love for our family and for each other has continued to grow. Now that life has grown short, I only know that I have been blessed beyond imagination. My days will be spent honoring our time together, and I will always love you!

Her friends and family have stated that Linda was the best cook and baker. She enjoyed feeding her family and baking many birthday cakes. They loved some of her amazing sandwiches. Linda enjoyed gardening and put her heart and soul into it. You could tell when you saw how beautiful her garden was and tasted the fruits of her labor. She was very crafty. Always making something and her hand made gifts were the best because you knew they were made special with love just for you. Linda loved animals as much as she loved her children. She had a very big heart. She was the kindest, sweetest,

loving and compassionate person you would ever know. She taught us all about unconditional love and what it means to love yourself for the person you are. As a wife, mother, grandmother, and friend she was everything that is good in the world and we will miss her every day until God brings us together again.

“ Linda you were such a wonderful person. I looked forward to seeing the amazing cakes you and Tiffany baked for Riley’s birthdays when you lived in Las Vegas. You were always welcoming and my brother Cleofas loved you in so many ways. I hope the two of you are spending time together now watching over the rest of the family. 💜 ✨
