“ *I only met Linda a few times, but we were family by marriage. The first time I met her Gypsy was pregnant with Devon. I have some pictures from that time. The last time I saw her we were saying goodbye to her oldest brother. For the family, I pray that God comforts you and that you will find peace in the days, weeks, months and years ahead. Love Donna*

“ *She was more than my mother she was my best friend. The one called when I had a hard day. I loved making her favortie dishes, watching food network, coloring and playing cards with her. My mother is my world.*
