“ *I worked with Lisa at Eye MD Ophthalmology(DR Mahan's office). Never have I known a kinder or gentler person. She was one of the sweetest people I've ever known. She always had a positive attitude about everything and everyone she knew. I will miss her sweet smile and an occasional "oh honey" when I said something maybe I shouldn't have. I love you Lisa and will miss you dearly. I take comfort in knowing that you knew where you were going, and The Good Lord was waiting on his newest angel with open arms!!!!*
