“ *Loretta you are so missed. I went to a play Thelma was in and when I spotted her on stage I got cold chills and started to cry she looks so much like you it was like meeting you for the first time. I'm so glad you came to stay with us and we got that chance to talk. I love you so much and I hate that we don't get any more time together. We think about you all the time. Give mamma a kiss and hug for us.*
