“ I worked with Lynn at tullahoma Waffle House for 3 years! We've laughed together cried together! Gave each other lots of advice! I have my first baby on the way at that's all she would ask me about every time I saw her! She couldn't wait for us to have are little girl! I remember making her laugh so hard she dropped her coffee she got from speedway that morning and busted the cup! She was so mad about that coffee! She would always bring donuts or apple fritters to work! She always had me make her a bacon mushroom tomato onion triple cheese omelette everyday we worked together! I'm gonna miss you very much! It's gonna be very hard to go to work and not have you there! I caught myself hollering for you while cooking Saturday morning! I broke down when I turned around and didn't see you walk in between 5/5:30 Saturday morning! Just know your very loved and missed by tons of people!
