“ *So sorry to hear of Margarett's passing. Of all the people in the world, she was one of my favorite people. Lord I wish I could be there for the services---the stories we could tell. Best to the family (Victor and Vivian). In my thoughts and prayers during this time.*

“ *My husband and I met Margarett at the Manchester Waffle House. She became a delightful friend. She shared her gardening tips and her poetry with us. She was a ray of sunshine. She often spoke of Victor and Vivian. Many years have passed but I will have many fond memories of her. Prayers and blessings to her family.
Deepest sympathy,
Anne Frisby*
