“ *So sad to hear that Mrs Goines as I know her as passed away. I have so many great memories of you. You never had a bad word to say about someone except maybe when you got mad at Brenda's dad.*

We could sit and talk with you like a friend and you never judged. You worked hard all you life, came home and made sure there was always a dinner made. You raised a great daughter who has so much compassion for others just like you use to. I'm proud to call her my friend.

The picture they have of you is the Mrs Goines I knew and Loved. Fly high with the other angels and continue to watch over us like you always did. You will be missed by many. Have my mom make you some cookies and sit back and relax. No more pain, you can now be at peace. Until I meet you again.

“ *You were precious, a gift from God, so much beauty, grace, love and patience you possessed. You touched my heart in so many ways. Even on dark days, your strength and smile made me realize I had an angel beside me. I do not know how I will do life without you. You made me the woman I am today. I miss you terribly. I Love you Mom!*
