“ *I'm very saddened by the passing of my mother-in-law, Mary. Her son Wayne was my husband for 42 Years. I know she is now at Peace, because she is reunited with her sweet son, Wayne and her beloved RoseMarie. I learned so much from Granny over the years and I will always remember her very steadfast attitude, quick wit and smile. Granny was a very caring person, but she would tell you the way it was. I want to send my love prayers and Sympathy to her beloved friend and caregiver, Willazeen Kilgore and her family for all of their love and care of our sweet "Mary"!!! I was unable to attend her funeral, but my heart was there with the ones I know, Loved her. I will always love you
Granny!! Your daughter-in-law, Hope Sons in Winchester, Ky.*

“ Miss Mary Sons was so very kind, and yes, a little bit of a spit-firey person! She was who she was...no one was going to make her change her mind about that, and that is something that I now really appreciate about her. We would watch the Edinburgh Military Tattoo at the Edinburgh Castle in Scotland. She had a lot of them taped. To this day, I have never had an English hot tea as good as hers! I will always remember your sweet heart and wise advise.
