“ *I have many fond memories of Sue. She was such a sweet lady whom I felt a kindred spirit too. Her and my mother was such a comedy act. She has a permanent place in my heart. I love you Aunt Sue (Ooo-dee) Gob bless your spirit as you soar high. May God comfort her children and wrap his lovong arms around them as they mourn the loss of their mom. Much love to you Sue! James, Randy & Rita my heart breaks for you. Just know she is at peace now. I pray God eases your pain. We will all be together again.*

*It's hard to put words in to what my heart feels!! Seeing her beautiful picture brings me to tears. I wish I could've talked to her one more time or seen her once more. She was so loving to me and everyone. She and our Mother had a special bond. They tried to keep each other up and going while they could. She was a wonderful person that like many weathered through the storms as they came. She was a blessing and I'm glad she was my Aunt, and grateful for the time she spent with us in Texas. I pray for her children and grandchildren as they go through this time. God's richest blessings be yours!!*
