“ So much time was spent together in my childhood days! In the summer, every weekend camping and in the winter every weekend still together while the adults sang and recorded music on tapes!! She was quite a cook. Her Christmas candy was always a favorite. I remember she liked to have a pinch of raw hamburger and her spaghetti was always made with just the right amount of heat! Her birthday was the 15th and mine the 16th so we did lots of celebrating together! Our last conversation was a few years ago when she was in town visiting Mallory. She loved her family! Condolences to Dayle, Dennis, Travis and Dave.

“ You've gained your wings now and you're home where you deserve to be. I know we will miss you here but in the end you beat it all. You showed me a lot. You were such a selfless person and the strength you had was unbelievable. I never got the chance to tell you how much I looked up to you and how much you mean to me. But I know you know now. And I know I'll see you again some day to sit and talk for a good while. And I know you're watching over us here! I love you and I hope you rest well now!

“ So many memories to mention. From the little brick apartment on Stevenson Street. To living on Ridge Street. I've known you since I was a little girl. Our families spent Christmas and almost every weekend together. Camping or hanging at the table and drinking sweet tea. Rides around the square when the men were playing sports or fishing or hunting. Lol! Doing donuts on the highway not intentionally. Surviving a small tornado in Kincaid while dad and Richard chase boats who were trying to float away! Our trips to Tennessee to visit your family! That's where my love for Tennessee started I suppose. As years went on time changes things. So I've missed the later years of your life. My wish for you is to Rest In Peace. Don't forget to stay in touch w your children and grand children in some way! Give a Jesus a hug for me! Tell dad and Richard I love and miss them!!!. Rest In Peace and fly high! Rhonda Lawyer

I thank you for everything that you have done for me and Jason. I will always cherish the beautiful memories of you and and remember the good times that we had together. I am not saying goodbye to you, but I am going to say so long until we meet again in heaven. I am very proud to have a wonderful sweet Aunt like you in my life and very lucky.

“ I just wanna say our Heavenly Father gained one great Angel.....Ma was a fighter and not one time have I ever seen her not smiling....she just had a smile that would light a room up.....she was a great a lady and all to often would care more about someone else than she did herself but that's just who she was.....Ma reminded me alot of my own mom who some how kept her family pulled together and was a great mother. Rest in peace my fine lady until we meet again.

“ Mom- I wanted to let you know... you always were my hero. You're the one that always made the worst become okay. The one who had the greatest imact and pull within our family... you were the one who taught and inspired me. Mom, you were by far my best buddy. I know how far you made it and the things you went through to get us there. As your sitting in Heaven, I will wander and count the days until I see you again. You gave it your all... you stood tall and brave as you went back in for another round. Even though you were tired, you never quit! Thank you for all you gave for us to ensure we all were healthy and taken care of to go on. I will think of you very often and cherish what you have left in my heart. Rest good and easy. We won!
