“ Many many prayers to all who know and love Melanie. I was one of her patients and I saw her weekly for a year and a half. She was an amazing lady who did so much to help me and countless others. She had a way of making others see things in a more positive light and she was truly a life changing individual. She has made such a positive difference in mine and many others' lives. Heaven has gained an angel.

I know this is a long time after her passing but she is on my mind right now. Melanie helped me through the worst times in my life . She cared for all of her patients and to me I considered her to be my friend. She always set aside time for me and I would get calls from her just checking on me. I love her with all of my heart and she is truly missed everyday. She was a very special person ♡♡♡
