“ 3 weeks ago today...still seems so surreal..still surrounded by your things and have absolutely no desire to move any of it..you would be so proud of our kids..they have been so strong..we talk about you every day..those talks are filled with laughter and tears..Melby we miss you so much..Camden still walks around saying "poppa..Poppa"..You were such a constant in my life..even when we fought I knew just knew you would always be there..so many things I wish i had said and so many things I wish I hadn't said.. you were a wonderful caring compassionate man.. I wish I had told you more often how I appreciated all that you did..I miss you so much.
