“ *Every day I would walk into work, some days happy and some dad mad at the world. Either way, you would greet me in the back with a hug or an elbow bump every single day. You talked to me about everything and you were always there for me. I was talking about leaving sonic and you told me not to quit, because you didnt know what you would do without me. Now, I don't know what to do without you. My heart aches so bad, so does Alan's. Everyday you asked me how your Alan "your boo" was and for me to tell him a message, EVERY day. You always made jokes at me for everything I did. No matter how rough I looked you always told me how beautiful I was. I miss you smile, I miss your singing, I miss your laugh, I miss you. I don't understand and never will. I just want you back. I have an amazing guardian angel. ?? I love you and miss you so damn much.*

“ Michael, you'll be missed, buddy. I was in total shock when Zac told me to call him and gave me the bad news. From the first time I met you, I always thought you were a stand up guy. You were one of the kindest people I'd ever met. Always joking around, cracking people up and seemed to have a smile on your face, no matter what. Ain't no doubt you're in heaven right now, looking down on us.

"Only The Good Die Young."

Rest easy my friend, -TJ
