Tim served in the United States Army as a Vietnam Veteran. He was awarded a Purple Heart from injuries sustained in combat and we owe him a great debt of gratitude for his service.

Tim was a high school graduate and went on to receive his associate's degree in forestry in North Carolina. He was always a sharp dresser and was even voted "best dressed" in high school. Tim was the Forest Manager at the UT Tree Farm (University of Tennessee Highland Rim Forestry Experimental Station in Tullahoma, Tennessee) for 42 years. He also managed many deer hunts at the station throughout the years where he created numerous

friendships.

Tim enjoyed everything Tennessee Volunteers and was an avid hunter and sportsman. He loved to play golf and especially enjoyed watching golf on TV in his later years. He loved watching movies and had an enormous collection of DVDs. It is said that he bought out a movie store. Tim loved his family tremendously and left a legacy of heartfelt devotion to carry on his memory.
