“ *I didn't see this till today. This saddens me so bad. My grandmother Lula Demarest and Nancy's mother were friends for a long time. I remember spending so much time over at granny putman's house when i was little. I even slipped out of the porch swing and busted my chin on porch and had to have stitches*

“ My heart is broken, Nancy and I have shared this life together for the past 32 years. She was the most, caring, giving, loving and sharing person I have ever known. If you came to visit our home you never left without some little gift or token of her affection. Miss Nancy, as she was called in her later years, had so many friends that it would be hard to list them all. I would like to thank everyone who has been a part of our lives together.  
I will miss her until we meet again.
