“ My favorite memory was the year my daughter Diana surprised me on Mothers Day several years ago. She took me to Kelley and Bones house. Nancy was there too and Kelley and Bones cooked for us. They had surprised me and Nancy we thought we were so special that day. I loved Nancy and love her girls too. We had so many good times around the campfire together I will miss her...

“ I was lucky enough to meet Nancy at the campgrounds. She was such a sweetheart and so kind to me. We talked about traveling together and I wish we had made time for those trips. Nancy had such a sweet spirit you couldn't help but love her. Best of all us she passed this warmth on to her lovely daughters. Hugs and love to the family for strength.
