“ She was always there whenever I needed someone to talk to. Never told a soul what I had talked to her about. Talked to her and told her things my own mom doesn't even know. She would try to help anyone out if she could. I remember her letting me stay at her house one night because I didn't want to go back to my grandma's because my brother and I were into it. I went to my grandma's yesterday and it wasn't the same normally you would see her coming up to the truck and asking me where her 2 beautiful girls were talking about my 2 lil girls. And I didn't hear her or see her and it wasn't the same. She was a loving caring person heart was big as gold bit don't confuse that she would tell you like it was. I remember one time there was a carnival in town and her daughter Tracy and I went saw Ruthie and Tracy put her on her shoulders and whipped her butt. Forever loved and missed.... Love you Ruthie. Tell my Pa and Uncle Sammy I Love them and Miss them.
