“ Uncle Norman was a gentle and sweet soul. He always had a smile on his face and an extended hand to help in whatever way he could. He loved his family more than anything in the world and was so proud of his beautiful grandchildren. He loved his son, grandson and daughter-in-law with just as much love! And he always had a sweet spot for my family as well. He always showed up every 4th of July for the family picnic. The photo I have posted is from July 4th 2014. That particular day, my dad, Bobby was lighting up the grill and had an accident and burnt his hand. I rushed to the hospital and there sat Uncle Norman by his brother's side laughing and helping my dad to feel better. He refused to leave his side until he was all bandaged up. We headed back to the picnic and had a great time that day. And I want to add, he was an excellent cook and made the best potato salad in the world. He always made a huge bowl every 4th and made sure we had enough to send home for leftovers. That's just who he was. A person who always made sure you felt comfortable and were taken care of. His parting words were always I love you! Uncle Norman I love you back! Until we meet again in Heaven, goodbye...

“ Brother Norman was one of the gentlest, sweetest, most genuinely loving souls my family and I have ever had the honor of knowing. He quickly became a very much loved member of both our church and personal families. Bro Norman was my dad's best friend and would often come by to visit us while out and about with dad, something we all looked forward to. He never parted without giving hugs and telling each of us he loved us. He was a very special man whom we loved very much and will be deeply missed.

“ Although I didn't know Norman but for a brief time he was so loving and kind. The love he gave to his son Jon and my daughter Stacey was a precious gift. My prayers go out to his family.
