“ *I started working at the Center about the same time as Mrs. Holt. She was always so sweet and encouraging to a 16 year old boy. She was always interested in what we were doing as lifeguards and encouraged us on our future goals. She genuinely loved everyone she worked with. To her family: I am sad for your loss. I know you will miss her for a time. I am sure there is a celebration in Heaven for her arrival. I wish you all have grace and peace. Collin Atnip*

I work at D. W. Wilson and spoke with Ola often and loved her personality and her fun sense of humor. She looked younger than her age for sure. I remember her fondly & send my condolences to her family.
